Germantown High School Alumni Association, Inc.

The Library Project™

The mission of the GHSAA is to foster and strengthen the relationship between Germantown High School, its alumni and friends; to preserve and promote the school's traditions, purposes, growth and alumni; and to keep alive the spirit of affection and reverence for our alma mater.

In 2003 the Middle States Association of Colleges and Schools, which evaluates schools in regards to their overall ability to function, cited Germantown's library as being insufficient. The books were grossly outdated and 80 percent of them were immediately removed from the shelves. This left the library with limited to no resources. The library is totally out of date and not meeting the needs for today's students.

We need your help in supporting **THE LIBRARY PROJECT™** The budget for this project includes total renovation of the library, 70 new computers and software, 30,000 new books, library furniture and much more.
